“ I send my deepest sympathies to your family. Eleanor was one of my mothers favorite people and would always bend over backwards to help her (Grace). I remember Eleanor coming down to help my mom several times and have always been grateful. She was a special lady.

“ *Grandma El,*

You were so awesome and I'm not really sure why you loved us so much. I am so glad I hung out with you for 2 days last weekend. We had some great laughs over "you know who". I miss you and am so glad you were a part of our "not so normal" family.
