“ *Uncle Joe, It just doesn't seem possible that Aunt Mary is gone. I know we haven't seen you in a long time but I think of you all often. The haying times at the farm will always be such a happy memory and when I was doing daycare and brought the kids out to see the animals-what a hoot. Please pass on my sincere thoughts to all the kids. You were always such an important part of our family. I simply can not imagine your loss. Prayers for all of you. Love, Kay Lynn*

“ *Mary and Joe were the neighbor's everybody wants. They treated Tyler and Justin like their own, after their children were raised. We loved her smile, and will be for ever great full that we were neighbors and friends. RIP Mary.*
