“ My father was a great man. Took care of his family and community. He would say this is life and we can't do anything to change it. His heart was big for a man of few words. This isn't the end we shall all meet in our fathers house one day.

“ I only met Mark one time at my brother and sister-in-laws (his daughter) wedding in October 2015. He seemed to have really enjoyed being a part of such a special day. Shana I am truly sorry that you and your family are going through such an unfortunate thing as this, but just try and remember all those good times you had together. I am praying for strength to help you get through this. I love you!
