“ *I add my condolences and feel the loss of Tony. He was the leader of class and in music, academics and basketball. I remember with awe. Tony and I graduated from Case Western Reserve Medical School together in 1971. I have a picture but currently misplaced of Tony and myself with our mothers.*

“ To 'Nita's' Family: I am an old friend of both your parents. I knew them well as I used to "hang around" the old White Star store during my younger days. In fact, Nita taught me how to dance at the store. I can remember when she and Bob were married; and, when their first daughter was born. So, this past Saturday, when the Bishop [Clifford/Ilia] stopped by to visit, we shared many fond memories of your Mother. I will miss her! Because I am disabled, I was unable to attend her funeral. May her memory be eternal. Richard B. "Gus" Gustafson
