“ Brad, Melody and family. We were very sorry to read about Jo-Ann. We met back in 1969 when I was hired by C.H. at NDSU. I enjoyed working with both C.H. and Jo-Ann on her project with Sharon Cobb "For Eagles to be Crows". That was a great project and I was very happy to be working with all of them as engineer for KDSU-FM. Our best regards to all of the family. Jim & Marilyn Hetland, Pelican Rapids, MN
