“ *I miss you Will. I regret losing contact with you after High School. I wish I had reached out to you sooner. You were a genuine friend: honest, kind-hearted, and full of life and good humor. Rest in peace my dear friend.*

“ *So tragic it is to have a loved one taken so suddenly. We can only cherish the memories and call on the love in our hearts when we look to remember you "Willie" May you rest in peace and know that you live on in our hearts. Aunt Rose wish we could have been there to support you in you time of grief. Love Frank Visnaw and Family*

“ So many childhood memories we have shared as cousins . We took for granted the wonderful carefree moments that our parents provided for all of us thinking that we would simply have a lifetime to call one another and catch up on old times. I wish we had and I had gotten to say goodbye and tell you that I loved you . Always will I remem...ber all those summers on Mackinac Island ,Michigan @ Grams house and when you would visit us in Cleveland , Ohio. You were taken suddenly and had so much life yet to enjoy. Live.Laugh.Love. You will Live for ever in my heart, I will never forget the Laughs we shared, and I will always Love you!!! R.I.P William Visnaw
To my Aunt Rose , Im so very sorry and I love you very much .
