“ *I met my Uncle Frank once in the late 1960's when I visited Upper Michigan. Frank was working at a farm and I was able to visit with him for a couple of hours. He was a very polite man and it was a very pleasant visit. May he rest in peace.*

“ *My dear uncle Frank was the most amazing person. He lived all the way in upper michigan. and I live way down in south florida, but we always exchanged pictures and letters. I have a stack of letters I still enjoy to read. ! A beautiful soul he was, he loved animals, donuts, and chocolates. I used to send pictures of the beautiful animals cheetahs, tigers and elephants from our metro miami zoo. and he loved to see them. He would send them back with funny notes ! He was a pure, kind, and humble soul. I am sure he was given a very beautiful place in Heaven He believed and loved Jesus and Mary. I will miss you Uncle Frank*
