“ I'm having a really hard time writing this as Fred was one of my very Best Friends. He, Paul Horka, Kenny Wilson and I were a group (we all drove Chevy's) in High School. Fred and I even lived together for a while. He was there for me when my Son Michael Passed away. We kept in contact every time I was in the Soo, and by phone. Until a couple years ago when his Ph. no. didn't work any more. I tried hard to find him or Wayne in July when I was in the Soo for my Son Paul's Change of Command of the USCG Cutter Buckthorn. But no luck, even went to his parents house and the neighbor said one of the "Boys" lived there now. I really want to get in touch with Wayne now as it looks like he's still in the Soo. Please call me someone with his no. or Please call me Wayne. 727-457-4359. Thanks. I will miss my friend, we used to do a lot of hunting together, and yes we did our share of partying too. RIP Freddie, and know I shed a ton of tears when I saw this tonight remembering all the things we did together. Love ya Brother.
