“ Dear Molly and Family, I just heard of Gary's passing today. We retired from Sault High just a year apart. Gary had made a wooden chair in miniature which became a time-out chair for the girls' Cabbage Patch kids and continues to reside on display in our Sault home. He was so proud of your boys, you and he traveling to follow them as they developed after high school. I'm sorry that you've lost your partner and father. Good memories, Linda
