“ Clara, Ed, Mickey, Lee, and the entire Burt clan -

*My condolences and love to all of you in this time of sorrow and remembrance. I am sure George is being watched over as he watched over everyone close to him. I never went without enough to eat, do, or learn in George's presence and kindness.*

*George was one of the 5 most important people in my life and though I haven't seen him for too long a period of time, he was often in my daily stories. A man's man who will be missed and remembered in this world. God willing, I will see him again. May God Bless your family.*

So sorry to hear about your dad. It is always hard to lose a parent. Our thoughts and prayers are with you during this difficult time. We never had the opportunity to meet him, but from the conversations we've had and reading his obituary it sounds like there are many happy memories. Hold tight to them and each other.

With sympathy,
