“ George, Yea, though you fly over the valley of the shadow of death, you need fear no evil: for thou art with Him; I know you are where the Eagles fly and always fly free. Every time I put a \$5 bill in I will remember you and the days we spent together. May God Bless you and keep your Liberator in His hands. Howard

“ My Dear Friend George. George was a good friend who you knew you could turn to for friendship. When I had the privilege of serving as the company commander for the local National Guard unit George was my go to guy. Whatever the situation I knew I could go to George and receive sincere valuable counsel and guidance. George was knowledgeable , fair, compassionate and understanding of life's trials. George, I will miss you. Your Friend Roger
