“ I enjoyed knowing Georgeanna and think of her often, I would have enjoyed conversing with her about her history had she been able to hear better. I will miss seeing her every day.

“ Our deepest sympathy to cousin Clarence and his family. Although we have not stayed in touch through the years I do have early childhood memories of Aunt Georgie. I loved her smile. She had a way of making you feel happy. We will keep her in our prayers.

“ Our thoughts and prayers go out to Little Clarence and his family.

*Georgie was truly a caring friend  
especially to Alice during her pregnancy and birth of our first child  
when I decided to move her  
from her lifetime home in a  
sleepy little town in Florida to  
her first taste of big city life  
in Detroit. Without Georgie's help  
and guidance I'm not sure she would have made it. She did make it  
and for that we will always  
be thankful!  
Peace be with you Georgie.  
We will love you always!

“ *My condolences to Clarence and his family. His mom was always gracious to the non-stop parade of characters that Clarence, Jr. would bring home at all hours, including myself. She was a dynamo.*
