“ *I wish I could find the right words to ease the pain of the lose of your father. Death might have taken him from you but your memories will be with you forever and no one can take them from you. They are truly a precious gift.*

“ Daddy you will be missed but you are in my heart forever. I grieve for lost time but know we will be together again one day. I wish life would have been different for us but will not second guess God's will. I know you are no longer suffering and for that I am thankful. Remember your promise to me daddy! I LOVE YOU WITH ALL MY HEART. See you later Daddy

“ The only thing I regret is not having a chance to get to know the man who played a part in my mother being born. I only have the memories of when I was younger and him being around. Regardless of that, it doesn't change the fact that I love him and I'm deeply saddened by his passing. I'm happy he is resting in peace now.
