“ Glenie worked so hard to keep going strong. Even in the hospital (how many times we don't remember) alongside Gary (God Bless the nurses) they would joke and carry on helping to boost each other to keep positive. Our Love and thoughts are so strong with you all.

“ Hot Rod Glenie! I'll never forget him pulling up in a hellcat no hand controls installed yet, using a broomstick to do a quarter mile burnout pulling out of the dealership all the way down easterday. It was awesome. Rest easy my friend!
