“ *We were so sorry to hear of Gloria's passing. (Thank you, Bill, for sending us the information). She and I graduated high school together, I was in her wedding, and we stayed in touch through the years. We were able to visit with her when she came down state to visit her children, and we spent an afternoon with her in 2016 when we took a road trip to the UP. Gloria and Bill were beautiful people. Always kind to everyone. They loved to play cards and be with people. We had so many laughs through the years. She loved her family and never forgot a friend. I was fortunate to have her in my life for so many years. She is at peace now and reunited with her loving husband.*

“ Denise, Charlotte, Kim and Bill, So sorry to read of your Mom's death. We have good memories of living next door to you for 10 years, from 1965-77 in Holt. Kim and Bill were born during the time we were neighbors. Remember those snowmobile rides around the orchard? It was good seeing all of you at your parents 50th Anniversary party. “ My deepest condolences to your family. Bill and Gloria were always fun to be around. I got to know them through st Joseph church where I enjoyed time with them. Gloria was a very nice lady. What I liked most about her was her generous heart, her outgoing spirit and the way she loved to talk and would talk to anybody. She will be missed by many. May God rest her soul and bring you peace and comfort.
