“ Our heart and prayers go out to all of you. I only met Gloria several times but she was as special as her children. May the love of those around you help you through the days ahead.

“ Dear Don, Teri, Kathy, Shirley and all of your families,
You have my deepest sympathy. There are no words that can express what my heart feels for all of you. I know you loved her deeply. She was my idol from the time I was old enough to have those kind of thoughts. Although I'm not sure what help I could be to anyone at such a painful time, it is very hard for me not to be there with you. An expression I've read somewhere which seems to convey my love for those dear and close to me, I offer now - *My Heart Shakes Hands With Yours.*
Mom loved Gloria too and would have also wanted to be with all of you as would Linda have. Please, no matter how small, if there is anything that I can do let me know. My prayers will by that your hearts heal soon.
My love and prayers to you.

“ Very sorry to hear of Gloria's passing. Have known her since she first married back in the fifties. Always thought of her as a "neat lady."

Met her and her husband by chance about five years ago. My wife, Donna was in a gift shop on Portage, and so was Gloria. I sat and chatted with a fellow on the bench outside the shop. Turned out to be Gene. They came to Florida in the winter and stayed about 20 miles from us.

Too bad we didn't know it sooner.

“ I cant believe this...I had hoped now Gloria could recover some health and look after herself and travel etc. I will miss the intellectual conversations we used to have...I will miss my friend. A Mass for perpetual rest is being offered in March at St. Marys church in her name.

“ Family...

I am in IL working and am unable (once again) to be there with you. I just suck at this. All of you ARE in my thoughts and my prayers. Your Mom is in my prayers. God's infinite Grace will take her home... beyond a doubt... she is held.

Love and Peace,

Kevin
