“ Hello, to everyone
I am so very sorry for your loss. It brings tears to my eyes just thinking about her and her family. We may not know God's plan but keep trusting in him, he will never leave or forsake you.
Those kids are going to need a lot of love around them and now is the time to turn you eyes on Jesus. Bless you all

“ Word can't say what we all have felt these long past months or what Glorias family and friends will go through in the next months ahead, what I do know is Gloria fought with all that the God Lord gave her and did it with a smile and such grace for all around her...I know I am a better person because of having Gloria as a friend and no one could have a better angel watching over them..I will pray for her family that God gives them the comfort they need at this time..God Speed Gloria till we meet again in heaven

“ A TRUE person you were Gloria. You are such an inspiration not only to me, but to other's as well. I am praying for your children, and Mike, and your friends and family through this difficult time. I am reassured though, that you are no longer in pain. One of my BEST memories with you was when I was attempting to walk to the snack room at the hospital after having my daughter and I thought I had saw Mike walk by. So i was nosy and walked down and sure enough, there you were holding your baby girl. Later after talking, I remember you saying you got mad at me for having Trinity before you :) Which you stated caused you to go into labor :) Smile down on us and give us all the strength and courage you showed.. You are an amazing woman and in time, you are still going to show us exactly what you wanted in this life. Rest in Peace.

“ I send my hugs and prayers to all the family of Gloria Lamma. She is a one of a kind amazing Lady and Mother, Wife, Sister and Daughter. She has taught me some real things to remember. She was so sick and fought so hard and never lost her time to love her husband kids and the rest of the family. and her love and faith for God. Gloria fought a courageous fight with cancer and never gave up. Until it was time for God to take her home and her fight was over.. She is now pain free and has deserved her beautiful wings and will look done on her family proud of what they will continue to accomplish. GOD is our strength. I love you all and you all are in my thoughts and prayers always..
