“ *Grace and her family have been a part of my life since 1970 when our family started renting cabins in Hessel city limits. She always had a smile on her face and a story to tell you when ever she met you year after year, decade after decade! I am grateful that I was able to visit her this year before her passing. She was one special woman and I am thankful she was a part of my life. God Bless you Grace !*
