Deeply loved by his family, friends and the many people and places he visited throughout the city on a daily basis in his later years. Whether it was the yearly trips to Florida or Arizona in his motor home or the family gatherings around Christmas at the house, his smile would fill the room. His humor was bright, his laughter was invigorating and the love and pride he had for his family and country was enviable. We know he will now be looking over us all with the love of his life Donna and may they now be peacefully together until we meet them again. Family and friend my call at the C.S. Mulder Funeral Home on Saturday August 24, from 2 PM until 4 PM with funeral services beginning at 4 PM with the Rev. Robert Aldrich officiating. Burial will follow at Oaklawn Chapel

“ I remember Harold and Donna well. We met when I was walking our dog and they were staying in the RV park next to our mobile home park. One winter they stayed with us. We spent a lot of time with them and even visited them in Sault Ste. Marie at their home. There is not a day that goes by that I don't think of them.

“ I just found out about my uncle's passing. I know it meant a lot to my mom Violet to be able to have a nice phone conversation with Harold before she passed away. I miss my mom so much. May they all be happy together, rejoined once again. My sympathies to my family whom I have not seen for many years.

“ We are so sorry that we were unable to make Harold's funeral. He was such a kind gentleman and reminded Nancy of her dad, Art Peterson. In fact, they were buddies in their younger days. Living just a block away from each other, when one of them had the hood of a car up doing something, the other man was along shortly to "help out." They were both of that generation when men were gentleman and seemed to be able to do just anything. He will be missed.

“ Hi, I just read in the paper that your dad passed away. I was very saddened to read this. But he is in a much better place. I will not be able to come to the viewing/funeral as I will be at work. I will let mom know. She too will be saddened. What wonderful times we had with all your family- at your parents' house, at Leach's cabin, and at our house. Precious memories we all share of your dad and mom. Friends forever, Sheryl
