“ *We were so honored to have Web and Esther in our lives. They were incredibly supportive friends to us when we were young and just starting our family. Web made a difference in many lives, including ours. We're guessing there are a few Rusty Nails being raised in his honor tonight. 🥹. Rest In Peace our dear friend. Stan and Pat Caruso*

“ Web was a very special man in my mother’s life. Marian and Web had many fun times together in their later years. He was kind generous and loving to her for which I am forever grateful. I know he will be missed by his family. My sincere sympathy Suzanne.

“ Worked with Webb at the DonDee and he always had a smile or a joke. Would see him walking on Minneapolis st. When I was back in the Sault and it was always enjoyable to talk with him. Great man RIP Webb.

“ So sad to read this as Mr. Wuebker was the best. Even though he told me I could call him, Web, I always called him and Esther, also such a wonderful person, Mr. and Mrs. Wuebker. They were kind and generous people and I was always welcome when I came to visit their son, Marc. I have many memories of them at 1136 Bingham. Condolences to Marc and the extended family.

“ Web and Esther helped make our sons the caring family men they are today. For that we are eternally grateful. Web will be missed for his quick but very dry wit and friendly way of assessing any situation.

Mark and I are so sorry we will not be able to attend the funeral services for Uncle Harold this week. His sense of humor was legendary, yet his love, care and concern for his extended family is also what we will always remember. Please accept our deepest condolences.
