“ *I was so sorry to hear of Dennis' passing. It is with great sadness that I'm not able to make it back up to St Ignace for the memorial service. Thankfully I was able to see him in September when we visited. It started out as a friendship all those years ago but soon felt like we were family. I'm glad we had the chance to meet and spend time together and until we meet again...*

“ *In the course of life we meet new friends in various ways. Meeting Dennis & Nancy came about through a very active and lovable Border Collie named Cassie. We adopted her from them. In our subsequent visits to the Pines they have been so gracious to us and our family and we do look forward to return. We were like family to them. We are thankful for this and their friendship. Our deepest Sympathies to Nancy and family at the loss of Dennis. May his soul, through the mercy of God, rest in peace. Amen.*
