“ As others have said Haley was a joy and a light to work with. I would brighten my day when I would see her in chat, she had a radiating smile. A most delightful soul. I can't begin to imagine the heartbreak for you her family, I am so incredibly deeply sorry for your loss.

“ I worked with Hayley at JCPenney's. We were in the same hiring interview and one of our first bonding moments was ringing up a lady who bought basically all the clearance. We each did at least 20 transactions each and found out that there was a limit to how many items you can have in a single transaction. I wish her family love and peace.
