“ *Happy Father's Day, Dad I love you! Miss you like I'm sure you know already!!! I talk to you almost everyday. It's our first Father's Day apart, and it's extremely hard and very emotional. I never imagined my life or my kids life without you for a super long time. Life is so unexpected and unfair! I get through everyday life as I know it now but I know you are still with all of us. Always loved and never forgotten Dad!!!*

“ I'm deeply saddened for the family of Hermie including his entire family of brothers & sisters of the West End. Hermie was one of the kindest & nicest people I've known & I know his sudden loss has left an empty spot in many hearts . I'll always remember him joyfully & with a smile on his face, he was a good man. God be with you & comfort you through this time of grief and may your memories of Hermie always be a comfort to you. Peace be with you.
