“ *I am so sorry to hear of Iva's passing. Enjoyed working with her at the Polyclinic for 14 years. Still laugh about her using "Rosie" for my name at the office, only went back to using Rosemary when I moved in 2016 to Palmetto, FL. I was able to learn so much working with Iva. She gave me so many opportunities to learn and we had a lot of fun at all the potluck lunches we had at the office. Iva hired me because I could handle payroll back in 1972 and I left to open my store in 1986. We were able to see each other a couple of times and kept in touch with cards for a number of years. Sad to say I lost touch with her several years ago. She still holds a special place in my heart and I'm glad she was able to have a long life.*
