“ Janet surely was a huge blessing to all those around her. Janet and Don volunteered their summers out at Camp Canaanland the past couple of years. Janet brought laughter and love into the camp kitchen. Don brought the same when working where needed. They both loved volunteering in church and at Camp. In 2016 the Lord revealed that Janet and Diana were first cousins. When Janet and Don discovered that they were related to someone they knew, Don would call family members and tell them "We found another cousin." Both will be sorely missed. Our sincere condolences to their children and grandchildren.

“ *My deepest sympathy to the family of Janet and Don. Janet was such a kind, loving, and caring person. I worked in the same building with Janet for a number of years, she at MSU Extension and I at the Health Department. My day was always brightened by her cheerful little smile.
