“ I often remember with a warm smile the rides to school in her red Gremlin... & her sharing a blanket in the winter due to no heater. My thoughts & prayers are with the family.

“ I did my first cadet teaching experience as a senior in high school in Mrs. Mosley's class. She later had my son in her ALPHA program as well as a nephew and a niece before him. She was a very good teacher and always encouraged the best thinking in her students. So very sorry to hear this news! Prayers for her family during this difficult time..

“ Mrs. Mosley was my 4th grade teacher...I loved her. This very much saddens me. I remember that year for Christmas 🎄 I got her house slippers and she sent me a post card from Michigan (that I still have) Great lady!!

“ I am so sorry for your loss. Mrs. Mosely was one of my all-time favorite teachers. I credit her with my life-long love of American history. I believe I was in her very first class at Webb School. I remember we made a quilt for Vance when he was very young. Years later, I became a quilter myself and remembered her impact on me when I helped my own children's elementary school classes make quilts. She was truly wonderful. Sending peace and strength to her family for the sad days ahead.
