“ *I worked with Woody for a number of years. He was always a joy to  
work with. A wealth of knowledge in so many things. Many days we  
would laugh to the point of tears. His one- liner comments would  
always lighten the environment and get us through the day. He was  
so much more than his place of employment. I always felt  
comfortable knowing that Woody had my back and knew how to  
work as a partnership. So many stories and experiences that I could  
share. My heartfelt condolences to the Woodgate family.*

“ I went through school with this amazing man. One of the most caring and kindest person I've known. Then, years later my son went to school with his son, Kiel...again, I saw that kind and caring spirit, when he told me who his father was...it all made sense. You will be missed sweet soul but you will be forever in our hearts, thoughts and memories. As for his children...hold your heads high and ALWAYS know...your dad will be by your side and watching over you...your own special Angel ❤️

“ A great young man that will truly be missed. Jarrett worked for me before going to the corrections department and was a heck of a worker. He loved to hunt and fish and our paths crossed often in the woods and on the water. Condolences to all of Jarrett's family. Sending love and prayers. Jeff & Cheryl Paquette.
