“ *To the Gillotte Family: Just learned of your Mom's passing from our Dad last weekend. So hard to believe; my bother and I had a great visit with her this past summer and planned to do the same this summer. She will be dearly missed; always so cheerful and full of life. The Shallows will not be the same without her. Our prayers are with you all. Kathy and Mike Leahy*

“ *To my friends Nancy and Mick Gillotte, and to all those dealing with the loss of your mother, grandma, sister, aunt, friends.....words to soothe the spirit are nice, but no matter how nice....we find we still must endure the grief, the loss, the emptiness of our loved one, and such will take whatever amount of time needed. Our hearts go out to you as you go through each day. Karen and Denny*

“ Mick, Joe, John and Steve, heartfelt sympathy to you all for the loss of your mother. What a wonderful and beautiful lady she was. Having been born and raised at the Shallows, I knew her and your dad well. My wife, Lynn, some of the grandkids, and I come to the Soo every summer for a few months and there was always an opportunity to go by and visit Jeanne. We are so honored to have known her and consider her a friend. We will always remember her with fondness. Surely Heaven shines brighter now that she is there. Gary and Lynn P.S. We are sending a donation to the County Animal Shelter in honor of Jeanne.

“ Dear Mike and Family, So sorry to hear about the loss of your mom. I use to run into her in Walmart from time to time. In the last year, I don't think she remembered who I was, but that was O.K. She's with your Dad now, and will be watching down on you with him. She is, I believe, happy, out of pain, and safely in the arms of the Creator with the rest of our family. Sending prayers and love to you all. Your cousin, Vickye Johndrow

“ Aunt Jeanne, you were like a mother to me and one of my very best friends. I will miss our shopping trips and eating out at your favorite restaurants. All of our talks and laughs we had together will remain in my heart forever. I know you are in a better place but there is a part of me that is gone forever. Rest In Peace, I love you.

“ So sorry to learn that Jeanne has passed on. Another important piece of the old days at the Shallows is gone.
