“ We remember Jeffery from Sunday School at Rexton Church many years ago. I taught him and his brother Jake. I recall he was quiet, but always had a warm smile. Being a good friend of our grandson Lester III we saw him in the years following graduation also. We liked him very much. We were so saddened to hear of his sudden death.

Our heartfelt condolences go out to his children, his father Jeff and Cindy, his brother Jake, mother Angel and all his extended family. May God comfort you in your grief, strengthen you for the days ahead, Bless you all with wonderful memories to fill the place in your lives and hearts that Jeffery would have filled. May the memory of the love in his smile warm you when you think of him. We will be praying for you all as God walks with you through the funeral and months to come. Love in Christ, Kathy & Lester Livermore Sr.

My husband and I got to know Jeffrey over the past couple of years while he tended bar at the Casino. He was always so friendly and such a positive attitude. He would talk about his kids and always mentioned he was lucky to have his Mom to help out with the little ones. We will miss his big smile and friendly conversation. RIP Jeffrey ❤️

“ I remember being with a mutual friend when out of nowhere, the windows and walls in his house started to shake violently and felt like the place was about to collapse to the floor. But it wasn't an earthquake, nope it was Jeffery pulling up with his new double 15 inch subwoofers in his tiny car! And out came Jeffery with the biggest smile on his face ecstatic to show us his brand new system! Love this guy and will always remember the time we had
