“ I got a lump in my throat and tears in my eyes big time! Jessica lived right next to my parents home 1307 Park St., Sault Sainte Marie, MICHIGAN 49783. They lived at 1309 Park St., SSM, MI. 49783. When I was leaving my parents home she would always give me a big smile and say hello.

“ We want to express our deepest condolences to you and you family. I don't think anyone can answer why a person so young with life ahead of them is taken. We just have to believe that the Lord had His reasons and believe He knows best.

Our prayers and thoughts are with all of you during this difficult time.

God Bless you all.

“ Debbie, Bob, Jeremy, Ron and families: In this difficult time, try to remember we all walk the same path. Jessica went ahead, sooner than anticipated and faster than we would have liked, but now she's free to fly among the angels. Your lives were blessed by Jessica's presence; try to remember what you were given rather than what you have lost. Our hearts go out to you and our thoughts are with you. Linda, Rich, and Family

“ *Jeremy I can't even begin to imagine the sorrow you must be feeling. I lost Roy exactly 6 months ago today and the heartache was tremendous but we had 20 wonderful years together. I had a lot of happy memories to help ease the pain. Her life was ended way too soon and only God knows why. But be touched by the thought that you will see her again some day. I love you,*
