“ I am so sorry to hear of the passing of Joanne. She was very kind to me and showed me unconditional love. May she rest peacefully and be alongside her husband in heaven. My thoughts go to the large Arbic family that she built. My thoughts and prayers and hopes for healing and guidance through this difficult time are with you all. I will forever be thankful for the love, lessons and time I was able to receive with this woman.

“ Dear Arbic Family,  
I am so sorry to hear about you losing your mom and grandma. She was such a nice lady. I have memories of going to Clyde's drive in and seeing her and her sister, if it wasn't too busy they would chat with my mom. Later at times, I would tag along when they met at Mr. Steak for lunch, sometimes baby Clare would come. The last event I remember my mom and dad attending together was Ashley and Damon's wedding. With the passing of my dad and your mom this past week, my mom has been joined by two great buddies.
