“ *I,II Try again. As mentioned by Ms. King, Shirley was my kids second Mom.*

*Has to be part of the reason they turned out so well. She was there for them in good times and bad. She took no lip, and was always right. I knew her as an employee, but better yet as a person. If you look up the word"cool" in the dictionary- her picture is next to it. I cannot imagine the loss Bob is feeling. We all have lost a super person.*

*Ps. Even my ole grouse dog"Maggie" used to pay attention to her.*

“ As mentioned by Ms. King, you were a second Mom to my kids growing up. Both of them would not have turned out as well as they did W/O your guidance. I have rarely been so saddened by someones passing.

*If there is a heaven, I am more than sure you hold the key to the gate.*

*Ps. Don't cross her, even my dog Maggie didn't give her any lip. She knew better.*

“ Dear Konle family,  
Please accept my deep regrets for your loss. You don't know me but I wanted to share what helped me when I lost my whole family to this enemy death which always brings pain and grief but I found comfort and hope in what Jehovah Gods word the Bible says at John11:11 and Mark5:39 that they're just asleep and Jesus states at John5:28,29 that I'll see them again and this helps me get through each day because I miss them so much. I do hope that by your reading these scriptures in your Bible that you'll find comfort and hope also for this is my purpose in sharing this with you. Please know that I do share your grief and truly hope this helped in some way. Sincerely, Gloria Mosley

“ Shirley, you were my childhood second Mom. I remember the trips to grandma Konle's on the weekends in summer and winter. The trips to the beach with my Mom and brothers and Cathy and Sandy. Many years have flown by and we have lost touch with each other, but we still have our memories. My heartfelt condolences go out to Bob, Sandy, and Cathy. We need to reconnect. Remember, she will always be a memory away and in your hearts forever. All our love.
