“ *I always known him as uncle Joe. He was always fun to be around and he always had something fun to do. When i used to go over to his house we would always have a good time and do something fun. The day that he passed me and him were in the kitchen cooking breakfast for everyone and that was the last i would ever see him. He will be missed by many*

“ I had him my freshmen year for math and he was such a cool and understanding teacher when it came to my needs of having to miss class for medical reason and let the kids throw me birthday party when I came back to school from being in the hospital and spent it in there. He will be sadly missed he even joined in on the fun bringing doughnuts and pop. He wasn't afraid of letting me walk around the class room and pass out papers for him he just would say becareful and hang on to the desks for support. He was just a super cool teacher.

“ I was co Mr Regional with Joe @AJL HS in 1969 and I always felt honored to be linked with such a great guy. We played basketball together for 4 years, he was always the leader, and MR. Fun, despite the ups and downs of a long season. It was great to read all the comments that MR. Fun continued his great ways in Michigan and helped so many kids. A terrific man, will be greatly missed, Eddie McDevitt
