“ *I do hope that yor cherished memories help you cope with your loss. Please know that we are not the only ones who have those memories of our loved ones stored up; our Loving Creator also has them locked in his memory as well. Very soon He will call to mind all those that have did and bring them back to life, once again, here in earth. That hope is found at John 5:28, 29.*

“ It's with heavy heart that I say farewell to Josie - my oldest and dearest friend since moving to the UP over 50 years ago. We had many great times together, traveling to Florida and enjoying our many trips to Ranger Lake. I first met Josie at the Del Mar where we went after work and thus began many years of close friendship. I was privileged to be included in her many family events and she made sure I was never alone on any holiday. Josie had a wonderful, very close family and will be greatly missed. I was blessed to spend some time with her on her last day and she will forever be in my heart and prayers.

“ Very sorry to hear of Josie's passing. I remember her hiring me at the Consortium many years ago. She was a great boss, treating me well and willing to help with anything. She had a huge heart. Our condolences to her family

“ To Cathy an Chrissie and Family of Josie, I was a good friend of Josie's. I worked with her at Bell's up until I hurt my back, and it was her that told me to file a report, she was a great lady, I just loved her, My husband and I would meet her for toddies occasionally at the alpha, and we would have the time of our lives with Josie. She and I were always cracking jokes at work, and couldn't wait for the 4 p.m. time. I got our of touch a bit with her, when I had a stroke, but she still knew that I was always there for her, I will remember Josie and all the fun times we had forever. She was a young woman at heart. I hope all is well with all of your families. I will pray for you all. God bless Josie. She was a grand lady.
