“ Joyce was a wonderful nurse and person. I worked with her as a nurse and she was a mentor to all nursing staff I always remember her laugh and great sense of humor. She gave her support to patients and staff. Her family adored her and she was so proud of them. I will forever remember our time as colleagues and friends. My thoughts are with her family at this difficult time.

“ I was so sorry to hear of Joyce's passing. She was such a lovely lady and will be missed by all who knew her. I got to know her well when I served as Vice President of the Hospital Auxiliary and she was President. We had a lot of laughs and good times. I will remember those good times with her. You have my deepest sympathy in your great loss!

“ Mrs. Casey had a big impact on my life. Although I only had the opportunity to meet her once. I know what kind of Mother she was to her children. In reading her obituary, it became clearer that she marked this world with service to others. This was something she passed to her son Jimmy. He will carry on Joyce's legacy of service to others. Joyce's passing while sad can remind all of us of the importance to serve our fellow man. Let us all shine Joyce's light on the world so that with her passing the world is not a little darker. May God grant repose of the of soul of Joyce and let His perpetual light shine upon her.
