“ *I had the privilege of working with Dave for a short while many, many years ago when he worked for an electrician in St. Ignace by the name of Bob Young. I was just out of the service and had much to learn. Dave was an outstanding teacher, a funny and entertaining man, and just a rock of knowledge. Of all of the co-workers and supervisors I've had in my life, Dave was among the very best. I trust his family is as proud of him as I was to work with and for him. A Good Man.*

“ We wish to express our condolences and sympathy to Marg and the Rountree Family. It was my pleasure and privilege to know and work with Dave at the state prisons. I remember the Three Stooges clock that ran backwards. He brought it to work for my office. I used it up until his retirement when I returned it to him as I had promised. I only wish he had been able to enjoy it longer. We are truly saddened to hear of his untimely passing.
