“ *Allie, Shelli, Shari, Sandi and their extended families, my deepest condolences on the loss of Judi. I spent many hours at the Baker house while living next door. I have fond memories of playing cards with Allie and Judi. I was probably a mean babysitter in the girls eyes. I also subjected Shellie to childhood slavery as I would pay her to come over and do the dishes at our house 😊 Many years have passed since then but I will always remember the time spent at the Baker home. May all your fond memories comfort you now and in the future. Rest in Peace Judi. Fly high in the sky Judi and let the wind be your guide. Hugs to you all. Fern*

“ *I remember when Aunt Judi and Uncle Allie lived in Pontiac, then moved up-north to Cedarville. I remember when they built the A frame, Also letting me throw a surprize 13th birthday party for Grace Spencer, letting us stay in their place, we all survived!! Aunt Judi always had a hug and a smile for you, along with a great laugh!! And she loved to play euchre and pinnochle (as long as she wasn't partner with Uncle Allie). I think that is where Ric & I get that rule!! And she also loved to read, she was the one to inspire me to read to this day. Aunt Judi I miss your hugs and smile, but most of all I miss you, always in my heart.*
