“ I am so sorry to hear about Judy, I just learned of this today 5/23. I would have been there to celebrate her life and the wonderful work she did on LTC and Acute Care. Judy you were the most caring, compassionate and dedicated Nurses Aide I ever knew. You were a roll model and mentor. You will be greatly missed. You will be missed!

“ Judy was such a special person. She had a servants heart and would give the very best care to her patients and coworkers. We never tired of hearing stories about her most prized possession, her family. She will be deeply missed.

“ Sending my deepest condolences to the family. I worked with Judy on both LTC and 2nd floor. I remember when Judy would drive from Barbeau to work -- she would give me weather and road reports when she came to work and the next morning I would give her road reports.
She was such a special lady and loved her girls.
RIP Judy
