“ I think of my Uncle Tim all the time. My heart aches with the loss, to this day. I can scarcely begin to describe the terrible cascading effect his loss has had on me and my beautiful family. Oh how different things could have been today, if he were with us. Oh.. how I mourn his passing still.

He loved his son Zeb, he loved me and my sister, and my mother. He was a good man, with a kind heart, and he was a hard worker. He always brought us fireworks and grilled for the family, on the 4th of July.

Heaven is a place where I could go back, and keep him with us. But Heaven is where he is now, and where we'll meet again.

“ Dear Dahms family,  
Please accept my deep regrets for your loss. You don't know me but I wanted to share what helped me when I lost my whole family to this enemy death which always brings grief and pain but I found comfort and hope in what Jehovah Gods word the Bible says at John11:11 and Mark5:39 that they're just asleep and Jesus states at John5:28,29 that I'll see them again and this helps me get through each day because I miss them so much. I truly hope this has helped in some way because this is my purpose in sharing this with you. Pleas know that I do share your grief and that you're in my thoughts and prayers. Sincerely, Gloria Mosley
