“ To the family of Kaden Cook, please accept my deep condolences for the loss of your young loved one. I can't imagine the pain you must be feeling for losing such a young member of your family. The Bible has helped me to cope when I've lost loved ones: Psalms 34:18 says God is close to the brokenhearted; John 11:23-25 promises a resurrection; and Revelation 21:3,4 promises the end of death, which means that after our loved ones are resurrected, they have the hope of never dying again. I hope this comforts you.
