“ *Karen, I hope you and mom are with God in heaven together. I miss you. It doesn't seem real that you and mom are gone. I wish we could talk. You should see what they have done to Babe momas house. It looks nice. I pray you are at peace and happy-Love Vicki*

“ Karen was loved and missed so much. I was hoping to see her again, I searched for you so many times. As young girls we were best buddies. She loved animals and Hairdressing. She deserved so much more in life. I have had an empty place in my heart for years, now I dont know what that feeling is. Miss you, Donna
