She attended Aurora University in Aurora, IL, and was transferring home to Lake Superior State University where she was excited to play hockey once again with former teammates, lifelong friends, and pursue a degree in psychology with a future plan to achieve her Master's Degree in Social Work.

Katie found joy in playing hockey and being a part of a large hockey family where she made friends across all of the U.S. and in Canada. Growing up, when not playing hockey, she loved being a member of the cross country team. She was talented in art and found comfort while painting in any medium. She had a love for animals and enjoyed her work at the Sault Animal Hospital. Katie is known for having a kind soul, always including others, and being an immediate best friend to everyone. She is remembered for her smile and her laugh. She was a beautiful person, inside and out.

Katie is survived by her parents, her two brothers: Gregory Robinson and Bradley Robinson of Sault Ste. Marie and her grandparents: Janice (DeVries) Marone of Yuma, AZ, and Gerald & Sandra (Johnson) Robinson of Casa Grande, AZ. She is also survived by many aunts, uncles, cousins, and friends. Katie was preceded in death by her grandfather: Ernest Marone.

“ *During her last two years in high school, Katie visited our house and cabin many times as one of a close-knit group of friends/classmates which included our son, Braeden. No words can adequately express how sorry our family is that her life journey was so tragically cut short, and that your family is faced with this indescribable loss. Katie's infectious smile and spirit will always be remembered with love.*

“ Dear Robinson Family,  
I offer my sincere condolences during this difficult time. Even though Katie's time was short with us, she filled the world around her with so much joy. I met Katie during my senior year of high school in 2017 in a Fitness for Life class taught by Krista Adam's. Katie was a very bright and spunky individual. The more I got to know her, the sooner I came to realize how caring, fun-loving, and competitive she was. Katie put a smile on my face every day, even during the difficult ones. Her smile and laughter were contagious and her energy was radiant. I hope there's some comfort in knowing how much Katie was loved. Keeping you in my warmest thoughts as you navigate through this difficult time-and wishing you hope and healing when you're ready.  
With Love,

“ *There are so few words to express how I am feeling for you right now. Words, no matter how kind, can't mend your heartache. Losing someone you love so dearly is so hard. So I pray for peace, for comfort, and for whatever you need right now. My deepest sympathies and condolences.*
