“ *I hadnt seen Phil since summer 1994. His stepfather was my uncle. My dad and Richard were brothers. Phillip was much older than me but I remember his funny jokes and talking about planes. He would visit us when we lived in Fla.and then when we moved back to Detroit. I never heard a bad word about him.*

“ *Phil was my brother-in-law for many years. We had a few laughs from time to time. He was very good to Clem and Richard in their declining years. A good son. RIP my friend.*

“ Phillip was a good guy, it took a few times to get his personality, but once I did we became pretty good friends. He loved to have a come back when you asked him how he was doing. RIP Phillip, I believe you are happy now that you are with your mom.
