“ I met Kathleen and Gary when they moved to Florida and began attending our church. We became friends and enjoyed their friendship. Both were caring people and added a bright spot to our Connect Group. They loved to travel the state and enjoyed nature, especially fishing. I'm grateful to have known them both and counted them as friends. Now they're together again and enjoying the beauty of Heaven and seeing Jesus face to face.
Prayers and condolences to their family.

“ *Kathleen knew how to light up a room with her welcoming smile. She was always happy to see her friends & family. I will miss her greatly. She treated me like her own and I will never forget the many memories with Jen and I growing up and also working with her.*
