“ Oh I'm so sad to see this! Kathy trained me when we worked together. I was taking over her job as she was retiring. She was the best & we always hugged & talked when we ran into each other at the grocery store or church, which was actually quite often. Rest easy Kathy!! You will definitely be missed. I'm so sorry I missed her service. It's Saturday morning & I just learned of her death. I really loved her!! 💔
