“ *My heartfelt condolences to Kelsey's family. I know words don't mean a whole lot right now, but you all have been in my thoughts and prayers since I heard of Kelsey's passing. The days ahead won't be easy, but hold tight to the memories you have of times together, and keep your love for her safely tucked into your hearts. Be strong and know that others share your grief at this difficult time. Love, hugs and prayers to you and yours from me and mine!*
