“ *I'm sorry to read about Ken's passing. Jim and I spent many hours golfing with Ken, sharing laughs over the years. I'm sure they're up there catching up and getting the "hole-in-one".
You're all in my thoughts and prayers.

“ *Goodbye, Cuz. You're with your Mom, Dad, and others who have waited for you. You were too young but at least you're no longer suffering. We'll see each other one day. In the meantime, I'll remember all the good times we had when all the aunts, uncles, and cousins came to the beach every Sunday for swimming and a picnic at the cabin. Then we would cut tree branches to roast marshmallows at the campfire. We had some good memories!*
