“ *I remember Kenny as a familiar name while growing up in Algonquin. I can't remember which of my brothers he "hung" with but it was Don or Mike. I also remember seeing him a couple times when I was visiting in Brimley over at Rucy Wiertella's cabin. I'm sorry for your loss, and I will pray for your peace of mind.*

“ On behalf of Leon and Bertha Kinney's family, we send our deepest condolences to Kenny's family. Our father, Leon, who dredged with Ken for many years always spoke so highly of him and the stories of their adventures dredging all over the lakes. May he rest in peace.
