“ *Please know that you are all in my heart, my thoughts and my prayers. I've asked God to send an Angel to each one of you to help carry you when you feel too weak to stand on your own and I've asked for the Love of God, family and friends to comfort and strengthen you and help you find joy once more to fill the void you are presently feeling. Much love and blessings to all. I share your sorrow and your joy.*

“ *My thoughts and prayers are with you all. Kenny was an amazing man and will be missed by many. I am glad I got to spend time with him all those years ago. Losing a loved one is never easy, but knowing that Kenny is pain free and dancing at the powwow in the sky decked out in all his glory certainly makes me smile. I will never forget him, or any of you. I love you all.*
