“ *Matt and Bryanna, I am so sorry, I am just now seeing this obituary. I do know what you are going through at this time since grandpa and I lost a baby at 5 months when we were living in Escanaba. Maybe our children are meeting each other right now in heaven and having a good time getting acquainted. We can hope to meet them some day ourselves, too. We are praying for strength and peace with whatever the circumstances. We don't know what God has planned for them or us. Take care and thinking of you. Love Grandma Bennin*
